# Welcome to our First Program for 2020!

2020 is our Year of Local Images

Daylesford is rich in natural beauty and is known as the Spa capital of Australia. This year we are celebrating our local area, it's uniqueness and its rich history. It is still a major drawcard for tourists today, as it was back in the 1800s when the Swiss-Italians settled the area and discovered the mineral springs and embraced their healing qualities.

Our area is filled with breathtaking views and landscapes, natural attractions, beautiful walking trails and picnic spots, as well as historical buildings that dot the shire.

We would hope you could commit to around 3 hours per week, working alone or in co-ordination with other volunteers.
